

LA 1091 @ Brownsitch

St. Tammany Parish, Louisiana

Summary:

LA 1091 at Brownsitch Road is an intersection that is currently experiencing capacity and operational deficiencies. Located in the Slidell/ Alton area of St. Tammany Parish, the project entails converting the existing intersection into a “roundabout” intersection that will increase operating efficiency and safety of the intersection. This area of St. Tammany Parish has seen significant growth over the last ten years, particularly after Hurricane Katrina. Final plans have been completed and the project is being readied for construction letting. The estimated cost of the project is \$1.8 Million.

Benefits:

- Improved Transportation Mobility
- Enhanced Safety and Operating Efficiency
- Widespread Community Support for Construction
- Expeditious Project Delivery
